# NOVEMBER 2022 SLOW ROLL PRESIDENTS LETTER

Welcome to the November 2022 Slow Roll.

Hello everyone. Happy Thanksgiving!

As mentioned in last month's letter, you all should have received your membership renewal reminder via email. Our renewal runs from October 1st through December 31st, 2022. After that you will be delinquent, and you don't want that to happen. I urge not to wait until the last minute to renew. Your membership fees allow us to continually upgrade the field and keep it clean while also offering a safe place to fly. PayPal is the easiest way to pay for your dues. Just go to the Join/Renew link on our website [www.sunvalleyfliers.com](http://www.sunvalleyfliers.com). It will walk you through the process. If you don't have a PayPal account, you can still pay by check. If you want to pay by check, let me know and I can send you the paperwork to fill out as well as where to mail the check to. You can always bring your check to the field and deliver it to any board member.

While you are renewing your membership, you might want to have a look once again at our safety and field rules. They can be found on our website under the link called "**Field Rules and Regulations**" located on the right side of the home page. There are three links once you get to the Rules page. They are Sun Valley Fliers **By-Laws, Field Rules and See and Avoid**. All good documents that you should be aware of. Remember our safety officer is Ken Rhoads. You can always ask Ken about anything safety related.

The runway and pit area oil seal and re-striping are complete. See the pictures in this edition of the November Slow Roll. It looks quite beautiful. I purchased larger fuel catch pans for that occasional overflow. That being said, we already have spills on our newly oiled pit area. Please be careful and let's try to keep the pit area and runway as nice as possible.

The field maintenance comes at an expense, so if you so desire, we could always use a donation to help with our improvements. Donations are also a link on our website home page. Any amount will be appreciated.

Mark your calendar for our **Toys for Tots** Electric Flying Event. It will be Saturday December 3rd, 2022, hosted by Sun Valley Fliers. All proceeds go to the Marine Corps Reserve Toys for Tots organization. All electric aircraft welcome. There will be 110-volt power available at the Field. Fun Events, Raffles, and Prizes. Entry fee is one new unwrapped toy. See the brochure in this edition of the Slow Roll. For More Information: contact CD Robert Bayless – 623-694-3379 [sumobob@cox.net](mailto:sumobob@cox.net)

For those of you that haven't attended a club meeting in a while, November is the time to start. Please join us on **Saturday November 5<sup>th</sup> at 9am at the field** which is where our club meetings have been held. Since the morning temperatures are now nice and cool, **9 am** sounds like a reasonable time for us to start. We will have many raffle prizes and the "50/50" could make you very happy \$\$\$\$. You never know what might happen, and you don't want to miss it. We have coffee and donuts for your enjoyment. **Remember, the meeting is at the SVF Field and starts at 9am.**

Have fun out there!

Frank Moskowitz
