NO MEETINGS UNTIL OCTOBER

Presidents Report For September 2020

Hello all,

Hope you and your families are all safe and well in these times of uncertainty. We still have to go thru the process of the Covid problems but hopefully it will not be much longer.

It is unfortunate that I am canceling the September Membership meeting. This is due to 2 reasons. One is due to the ongoing Covid problems and the other is I have a very limited Agenda for a meeting. I would rather everyone stay safe and postpone the meeting. The Board will still be meeting on line with Zoom for our September Board Meeting. I know it can be frustrating not to know what is going on in the club. If anyone has any questions please call me and I will answer any questions I can.

The weather is about to cool down now and everyone will start enjoying the field and flying again. Please be aware that we had NO Rain and conditions are very dry. Please be very careful and take every precaution to avoid a fire!

Please everyone use a spotter and adhere to the hard 400ft rule.

Well that is about it for now. Continue to be safe and may God bless all of you and your families. Hopefully we can look forward to a Membership Meeting in October!

Lou Pfeifer PV.

From Geronimo Vidales scrapbook/hangar.

it is a OS -320 converted to run on Gasoline Unleaded it was installed on a Byron Husky and flew it for many years until the covering (worldtex) started to lift off.

Marty Jones friend Geoff

From The 50'ssubmitted by Ken Melbye

The other day a not so elderly, I say 75-year-old lady, said something to her son about driving a Jalopy; and he looked at her, quizzically and said, "What the heck is a Jalopy?" He had never heard of the word jalopy! She knew she was old ... But not that old!

Well, I hope you are Hunky Dory after you read this and chuckle.

About a month ago, I illuminated some old expressions that have become obsolete because of the inexorable march of technology. These phrases included: Don't touch that dial, Carbon copy, You sound like a broken record, and Hung out to dry.

Back in the olden days, we had a lot of moxie. We'd put on our best bib and tucker, to straighten up and fly right.

Heavens to Betsy! Gee whillikers! Jumping jehoshaphat, Holy moley!

We were in like Flynn and living the life of Riley; and even a regular guy couldn't accuse us of being a knucklehead, a nincompoop or a pill. Not for all the tea in China!

Back in the olden days, life used to be swell, but when's the last time anything was swell?

Swell has gone the way of beehives, pageboys and the D.A.; of spats, knickers, fedoras, poodle skirts, saddle shoes, and pedal pushers.

Oh, my aching back! Kilroy was here, but he ain't anymore.

We wake up from what surely has been just a short nap, and before we can say, "Well, I'll be a monkey's uncle!" Or, "This is a fine kettle of fish!" We discover that the words we grew up with, the words that seemed omnipresent – as oxygen – have vanished with scarcely a notice from our tongues and our pens and our keyboards.

Poof, go the words of our youth, the words we've left behind. We blink, and they're gone. Where have all those great phrases gone?

Long gone: Pshaw, the milkman did it. Hey! It's your nickel. Don't forget to pull the chain. Knee high to a grasshopper. Well, Fiddlesticks! Going like sixty. I'll see you in the funny papers. Don't take any wooden nickels. Wake up and smell the roses.

It turns out there are more of these lost words and expressions than Carter has liver pills. This can be disturbing stuff! (Carter's Little Liver Pills are gone too!)

Leaves us to wonder where Superman will find a phone booth... See ya later, alligator! Okidoki.

WE ARE THE CHILDREN OF THE FABULOUS 50'S! NO ONE WILL EVER HAVE THAT OPPORTUNITY AGAIN! WE WERE GIVEN ONE OF OUR MOST PRECIOUS GIFTS: LIVING IN THE PEACEFUL AND COMFORTABLE TIMES, CREATED FOR US BY THE "GREATEST GENERATION!"
